

Agreement,Extension

The present sale and distribution agreement of The Economist Newspaper between THE ECONOMIST NA and Media International Distribuição de Publicações Ltda., which expires on March 31st 2025 is by consent of both parties extended until March 31, 2026 .

The terms and conditions established originally at the commencement of this relationship stand the same. –

Media will promote and sell subscriptions (up to 60% of totals subs.) in Brazil at the rate approved by The Economist. Media will remit these orders on a Weekly basis. These orders will be started within 3 weeks of received by The Economist.

Media will clear and distribute weekly ALL subscriptions copies at their own cost! The Economist continues to pay for the international freight.

Agreed on December 31, 2025
