Annex II – B
Statement

To Petróleo Brasileiro S/A – PETROBRAS

Haskel International, Inc., by its representatives signing hereunder, states that it does not sell products directly and that they are sold (exclusively in Brazil) by its distributor identified hereunder.

It also states that it continues to be fully liable for the guaranty, technical assistance and liability for the products, and will undertake all critical examinations of the contracts signed by the distributor, hereby agreeing to adopt a system of identification of materials in order to ensure that they can be traced to the respective technical documents.
