

Please find attached the invoice for your organization's 2026 International Organization for Judicial Training (IOJT) annual membership dues.

The payment process remains largely the same as when the National Center for State Courts (NCSC) was providing support.

Should your institute require additional time to pay the membership fee or wish to discuss alternative payment arrangements, please do not hesitate to contact us. In cases of hardship, institutes may submit a written request to me for consideration by the IOJT Board of Directors. The Board may, among other actions, reduce, defer, or provide a waiver.

As you know, the National Judicial Institute (Canada) is supporting the transition of governance and administrative services for IOJT from NCSC to NJI. I am pleased to share that the transition is progressing well and that we are experiencing a very collaborative approach throughout the process. I would like to take this opportunity to thank Stacey Smith of NCSC for her ongoing support.

Please do not hesitate to reach out if you have any questions regarding the fee payment process.

I look forward to seeing many of you at the next conference in Bordeaux, France.

Warm regards,

Danielle May-Cuconato
