2025 zoom Up Partner Program PLATINUM RESELLER Customer Experience Sales

2025 zoom Up Partner Program PLATINUM SERVICES DEPLOYMENT Customer Experience

2025 zoom Up Partner Program PLATINUM STRATEGIC ADVISOR Customer Experience Sales

Reseller partners work with Customers to provide end-to-end business solutions inclusive of the Zoom collab and experience platform, to deliver successful business outcomes. Platinum Resellers have significant Zoom sales experience, up-to-date Zoom training and product knowledge, and are highly engaged with Zoom to deliver effective solutions.

Agency partners introduce Zoom solutions to Customers and work jointly with Zoom throughout the sales process; pricing, contract, implementation and invoicing are all performed by Zoom. Strategic Advisors have demonstrated proficiency with Zoom solutions and have a history working with Zoom to deliver

Sales Competencies:

Partners earn Sales Competencies for specialization in specific Zoom products by completing both Sales and Pre-sales Technical Accreditation and demonstrating their proficiency via formal evaluation. These partners are endorsed by Zoom for their expertise and capability for the specific products where they have earned the Sales Competency.

Zoom Customer Experience (ZCX)

Deployment Service Certifications:

Certified Deployment Partner (CDP) is a designation for partners who are Certified by Zoom to deploy a specific product or set of products. These partners have completed a series of deployment accreditations and applied training, followed by a demonstration of the partner's applied expertise. Some CDP partners progress to Advanced CDP, an even more rigorous level of Certification. Zoom endorses these partners to deploy the specific products where they have earned the CDP or Advanced CDP designations.

those solutions to customers of all sizes.

specific products where they have earned the CDP or Advanced CDP designations.

None

Support Service Certifications:

Certified Support Partner (CSP) is a designation for partners who are Certified by Zoom to provide post-sales support for a specific product or set of products. These partners have completed a series of support accreditations and applied training, followed by a demonstration of the partner's applied expertise. Some CSP partners progress to Advanced CSP, an even more rigorous level of Certification. Zoom endorses these partners to support the specific products where they have earned the CSP or Advanced CSP designations.

None

Certified Customer Success Partner:

Certified Customer Success Partners (CCSPs) are extensively trained and equipped with data analysis tools to help customers achieve measurable outcomes through effective adoption of Zoom solutions. Using data-driven insights and proven practices, CCSPs enhance utilization, improve efficiency, maximize customer ROI, and enhance productivity while meeting Zoom's highest success standards.

Partner Program

GOLD

RESSELLER

Reseller partners work with Customers to provide end-to-end business solutions inclusive of the Zoom collab and experience platform, to deliver successful business outcomes. Gold Resellers have established Zoom sales experience and have demonstrated Zoom product knowledge.

Sales Competencies:

Partners earn Sales Competencies for specialization in specific Zoom products by completing both Sales and Pre-sales Technical Accreditation and demonstrating their proficiency via formal evaluation. These partners are endorsed by Zoom for their expertise and capability for the specific products where they have earned the Sales Competency.

None

Deployment Service Certifications:

Certified Deployment Partner (CDP) is a designation for partners who are Certified by Zoom to deploy a specific product or set of products. These partners have completed a series of deployment accreditations and applied training, followed by a demonstration of the partner's applied expertise. Some CDP partners progress to Advanced CDP, an even more rigorous level of Certification. Zoom endorses these partners to deploy the specific products where they have earned the CDP or Advanced CDP designations.
