

The image displays a detailed architectural site plan and two cross-sections of a school building complex. The site plan at the top shows a large rectangular building with multiple wings, surrounded by landscaped areas with trees and paths. The building is labeled with various rooms and sections, including "RUA RIO VERDE" on the left and "RUA JOÃO HENRIQUE SOARES" on the right. The plan includes numerous annotations for materials, dimensions, and structural details. Below the site plan, two cross-sections are shown: "Corte AA" (left) and "Corte BB" (right). Both sections provide a vertical view of the building's structure, showing the roof, walls, and internal spaces. The sections are labeled with dimensions and structural details, and include a scale of 1/200. The overall design is modern and functional, with a focus on natural light and ventilation.
