Manufacturer information, these details must be indicated in the Commercial Invoice. If Exporter is not the Manufacturer, please indicate full name and address.

IMPORTANT: Brazilian customs do not accept wooden packages that are not heat treated or fumigated. Cargo will be shipped back to your warehouse if our agent receives it and it fails to comply our instructions (if it is shipped to B customs will ship it back to its origin). All wooden packages must have the IPPC stamp on all sides of the package and original treatment documentation (Fumigation Certificated) must follow alongside cargo documents to the destination. Plastic pallets and boxes are acceptable and don't need to be treated.

Please inform the total expire date of the product. The products must arrive here with over one third of the expire date.
The products must be submitted with Certificate of Analysis/ Certificate of Origin and the lot number must be the same.

PLEASE BE ADVISED THAT WE CAN 'T ACCEPT SHIPPINGS BY COURIER.
WE WILL USE OUR REPRESENTATIVE. YOU CAN DELIVER IN THE NEAREST AIRPORT (FCA) OR THEY CAN PICK UP ON YOUR FACTORY (EXW).

Best Regards,

razii,
ination.
