

NOTICE OF CLARIFICATIONS Nº 02
INTERNATIONAL ELECTRONIC TENDER Nº 20260003/CCC/SETUR

LOWEST-PRICE PROCUREMENT FOR THE EXECUTION OF ENVIRONMENTAL REQUALIFICATION, DRAINAGE, AND URBANIZATION WORKS FOR LAGOONS IN THE MUNICIPALITY OF PARACURU, CEARÁ, UNDER AN INTEGRATED CONTRACTING REGIME.

The Ceará State Department of Tourism – SETUR/CE, through the Central Tender Commission (CCC), hereby presents the response to the request for clarification submitted by a bidder, the content of which is transcribed below:

QUESTION 01 - Request for the budget spreadsheet and analytical compositions of the project's unit prices.

RESPONSE 01: The execution regime for the tendered object is integrated contracting, and therefore the submission of a detailed budget in spreadsheets and analytical unit price compositions is not required. The bidding documents include only the preliminary design and the estimated total contract value. Accordingly, it is not feasible to comply with the request submitted.
