

Technical drawing of a road cross-section showing a drainage ditch (DEN-11) and a dispersor (DISPERSOR) with a slope of $i=1,5\%$. The drawing includes a profile view with a dashed line for the road grade and a solid line for the ditch bottom. Key dimensions include a ditch width of 10,00m, a dispersor width of 9,00m, and a total width of 19,00m. The elevation of the dispersor is 895,682m.
