

A photograph of a kitchen wall. At the top are three white upper cabinets. Below them is a wall with light-colored, marbled tiles. A white countertop runs along the wall. On the left is a window with a dark frame. On the right is a white appliance, likely a washing machine. Two electrical outlets are visible on the wall. One outlet has a black cord plugged into it. Two red squares highlight specific points on the wall: one near the window and one near the washing machine.
