Dear Osvaldo

Many thanks for your email.

A 50% scholarship was offered to the two CVM participants to which you have accepted. The remaining 50% tuition fees would need to be covered by CVM as well as accommodation and travel costs for the participants.

While the original deadline for completing the registration process was 20 November 2026, the programme has received significant interest from participants, including those who have not been awarded scholarships, and has now reached full capacity. In light of this, we are currently awaiting only the scholarship recipients to finalise their registrations and complete payment, and have therefore brought forward the deadline to 15 October 2026.

Nevertheless, taking into account the circumstances you have outlined and your internal approval process, we are prepared to make an exception and extend the deadline for both candidates to complete the registration and payment process until **31 October 2026**.

We look forward to receiving the registrations and remain at your disposal should you require any further information.

Thanks, and Kind Regards
Rinasha

Subject: RES: confirmation

Dear Rinasha,

Thank you for your message and for the information regarding the registration process.

We would like to inform you that, at this stage, we are not yet able to finalize the registration of the two CVM participants.

While completing the registration procedure, we noted that the final step requires the submission of payment details for the remaining 50% of the tuition fee not covered by the IOSCO scholarship.

The necessary internal procedures for the approval and release of these funds are still underway at CVM. Therefore, we are currently unable to provide the payment information required to complete the registration.

In addition, we would appreciate your confirmation regarding the final payment deadline.

In a previous communication, we were informed that the outstanding amount would be due by **20 November 2026**, and this date has been taken into account in our internal approval process.

However, your most recent message refers to **15 October 2026**.

Could you please confirm whether we may continue to rely on the previously communicated deadline of 20 November 2026?

This date is of significant importance for the proper completion of the internal approval and funding procedures currently underway at CVM, and our ongoing processes have been structured based on that timeline.

Thank you in advance for your clarification and support.

Kind regards,

Osvaldo

Dear Eduardo

I am following up on my email below.

Given the program has reached its full capacity, we look forward to the registration and payment for scholarship participants to be completed by latest **15 October 2026**.

Please reach out to us should you have any questions.

Thanks, and Kind Regards

Dear Eduardo

I hope this email finds you well

In relation to the Global Certificate Program Phase II, you can proceed in registering the delegates on the PIFS' website at the following registration link:
<https://www.pifsinternational.org/IOSCOregistration2026>), selecting scholarship candidate. This will then allow you to settle the remaining 50%, either by credit card or by wire transfer. For any issues, please contact Victoria Shea of PIFS International at vshea@pifsinternational.org.

Please find attached the list of hotels in Cambridge, provided by PIFS. Please note that there are no special rates and participants will need to make their own travel and accommodation arrangements.

Please let us know if you have any comments.

Thanks, and Kind Regards

Dear Eduardo

Many thanks for the confirmation.

We will share shortly further information on how to register the delegates receiving scholarship grant to Phase II and to settle the outstanding amount.

Please feel free to reach out to us should you have any questions.

Thanks, and Kind Regards
