

The diagram illustrates the project's location within Brazil and the state of Mato Grosso. It features three main components:

- Top Right:** A map of Brazil with state boundaries. The state of Mato Grosso is highlighted with vertical hatching. Neighboring states labeled include Roraima, Amapá, Amazonas, Pará, Acre, Rondônia, Mato Grosso do Sul, Paraná, Santa Catarina, and Rio Grande do Sul.
- Center:** A map of the state of Mato Grosso. The city of Cuiabá is marked with a small red square. The location of the project, "Lambari do Oeste," is indicated by a red arrow pointing to a specific spot on the western border of the state.
- Bottom:** A large, stylized black arrow curves from the "Lambari do Oeste" location in the Mato Grosso map down to the title "CÓRREGO LAMBARÍ".

Text labels within the diagram include:
