1.1. Nr. 2 (two) TRS Analyzer - Teledyne-API model T102 (100-120V - 60 Hz), including:

- 19-inch rack mounting kit with sliding chassis;
- Inlet particulate filter;
- analog output: 10VDC;

1.2. Nr. 1 (one) Zero Air Generator High Performance, model T701H, Teledyne-API (100-120V - 60 Hz), including:

- 19-inch rack mounting kit with sliding chassis;
- Compressed air source standard 30 SLPM@35PSI;
- Regen scrubber for SO₂, NO, NO_x, H₂S, O₃ e NH₃;
- Hidrocarbon & CO Scrubber;
- Water drop out auto drain;
- Maximum flow output 30 SLPM;
- Two stage gas pressure regulator;
- Expendables kit (42A) - (PN 015980000); and
- Accessórias.

1.3. Nr. 2 (two) Station Controller EcoRemote W10 System, PC UNO 2473GJ, or equivalent model at delivery time, configured with:

- Windows 10 and Ecoremote software license installed and tested at our factory in Monza – Italy;
- Rack 19" complete with power supply (100-120V - 60 Hz);
- Celeron 1.9 a 2GHz microprocessador;
- SDRAM tipo DDR3 de 4GB;
- SSD Solid state disk 256 GB or better;
- 2 Ethernet ports;
- 2 RS232 serial line ports;
- 2 RS422/485 serial line ports;
- 3 USB 2.0 ports;
- 1 VGA port

- 1 HDMI port
- I/O management unit:
 - 16 analog input channels
 - 16 digital input channels
 - 16 digital output channels

1.3.1. Nr. 2 (two) Software Structure for each Ecoremote:

- Base software user license Windows 10 operating system;
- Application software user license EcoRemote W10 ;
- Communication Software with the Data gathering, elaboration and network supervision center;

1.4. Meteorological Measuring Equipment Lastem, with manufacturer certification:

- 1 (one) Wind direction and Speed Sensor Sonic, Model DNB 306;
- 1 (one) Ambient Temperature and Relative Humidity Sensor, Model DMA 867;
- 1 (one) Atmospheric pressure Sensor, Model DQA 801;
- 2 (two) UVA Solar Radiation, Model DPA 817;
- 2 (two) Global Radiation, Model DPA 855;
- Accessories.

1.5. Spare parts Teledyne-API:

- For TRS T102 Analyzer:
 - 2 (two) - pump, 100-120V, 60Hz - PN 050610100;
 - 2 (two) - rebuild kit, for PU20 and 04241 -- PU0000022
 - 2 (two) - kit, Sox scrubber material (CH17) - KIT 000261
 - 2 (two) – rebuild kit for KNF pump, replaces KNF PU425-N026.3-8.90, 100-120V, 60Hz

PRICE

LUMP SUM PRICE € 101.000,00 (euro one hundred and one thousand/00)

TERMS AND CONDITIONS
