DESCRIPTION	QTY	RATE	AMOUNT
LMG671 LMG671 - 7 Channel Precision Power Analyzer The configuration consists of: 1x A02631 L671-BAS - chassis with 10.1" touch display, Gigabit-Ethernet, USB-A 3.0 (for data storage and peripheral devices) and RS232 interface, scope and plot function, internal memory for datalogging, bench-type instrument in compact 19", 4HU 7x A03317 L60-CH-S3 - High-Precision Wideband Channel, DC-optimized With DualPath functionality, bandwidth DC-10 MHz, 18 bit channel resolution, 7x A03412 L60-CH-S-VRE - Voltage Range Extender to 1500V DC for L60-CH-S3 Plug-on adapter for an L60-CH-S3 measuring channel, which enables the safe measurement of DC voltages up to 1500V. 1x V00418 L6-OPT-DVI - DVI / VGA Interface for LMG640/670 LMG for connection of an external (touch)display, video projector, etc. 1x A03249 L6X1-OPT-MSD - Mass Storage Device for Measurement Results LMG (256 GB) 1x V00423 L6-OPT-HRM Harmonic analysis of U, I, P, Q and S up to 1,000 harmonics/bins via GUI, up to 2,000 harmonics/bins via interface, depending on filter settings (max. 600 kHz) and fundamental frequency (max. 7.5kHz) 2x A02360 L60-X-ADSE - Adaptor for LMG600 series to connect sensors and current clamps .	1	42,036.00	42,036.00

Payment terms: CAD
Warranty: 2 years
Delivery time: 6-12 weeks
HS Code: 9030 9000
Weight: 18.450 kg
1 ctn: 75x56x41cm; 27,2kgs
Country of Origin: Germany
Country of Provenance: Germany
