

Technical drawing of a metal truss structure, showing dimensions and material specifications:

- Top chord height: 0.15
- Truss height: 1.05
- Bottom chord height: 0.80
- Foundation height: 0.15
- Truss width: 1.10
- Material specifications:
 - Tubo de aço diâmetro de 2" com espessura da parede 2 mm
 - Barra chata $\frac{1}{8}" \times \frac{3}{4}" \times 12$ cm
 - metallon 50x30 espessura da parede 1,5 mm
 - metallon 30x20 espessura da parede 1,5 mm
- Detail view dimensions: 0.80 (height), 0.15 (width), $\varnothing 1 \frac{3}{16}"$ (hole diameter)

Altura = 1,05m

Comprimento = 702 metros lineares (módulos de 06 metros de comprimento)
