Technical drawing of a 90-degree corner joint. The drawing shows three main components: Espelho (Mirror) at the top, Assento (Seat) on the left, and Encosto (Backrest) at the bottom. Dimensions are provided in millimeters (mm). The horizontal dimensions are 0,325 mm (total width), 0,025 mm (thickness of the mirror), and 0,125 mm (thickness of the seat). The vertical dimensions are 0,080 mm (total height), 0,450 mm (thickness of the mirror), 0,800 mm (thickness of the seat), and 0,825 mm (thickness of the backrest). The corner is formed by two L-shaped pieces meeting at a 90-degree angle.
