ÁREA EXISTENTE QUE NÃO SERÁ MODIFICADA

A large spool of multi-colored LED strip lights, featuring segments of purple, orange, yellow, green, and blue. A small globe in the bottom left corner displays the same color spectrum.

A square LED panel light with a black frame. The central area is white and contains a grid of 48 LEDs (6 rows by 8 columns). The LEDs are colored red, yellow, and white in a repeating pattern. A USB port is located on the right side of the panel. The text "100W" and "IP67" is printed on the black frame below the panel.

LUMINÁRIA PLAFON LED QUE SERÁ INSTALADA
